Fifteenth International Conference on Architectural Support for Programming Languages and Operating Systems (ASPLOS 2010)

Sheraton Station Square, Pittsburgh, PA - March 13~17, 2010

Call for Student Poster Presentations

A student poster session will be held with the reception on Sunday, March 14, 2010 at ASPLOS 2010. The student poster session is an excellent venue for graduate and undergraduate students to present and discuss their ongoing research work. The poster session features short presentations by student speakers followed by informal one-on-one interactions between presenters and other conference participants. The goal of the poster session is to help students obtain early feedback on their research projects and establish contacts with other researchers with similar interests.

Submissions and Evaluations

Students who intend to present a poster must send the following information to Shimin Chen (shimin.chen@intel.com) by *February 1, 2010*:

- Title, authors' names, and affiliations.
- One-page abstract in PDF format of the proposed presentation.
- Name and email address of the student presenter.

Selected student presenters will be notified via email starting February 15, 2010.

Funding

Student authors/presenters are encouraged to apply for travel support.
